Corporate Governance & Ethical Leadership

Course Overview

This course explores the principles of corporate governance and ethical leadership in organizations. Participants will understand the importance of transparency, accountability, and ethical decision-making in leadership roles. The course will provide tools to foster a culture of integrity and responsibility within organizations, ensuring leaders act in the best interest of all stakeholders.

Who Should Attend:

Senior executives, managers, board members, compliance officers, and anyone responsible for governance, leadership, and ethical decision-making in organizations.

Objectives:

- Understand the principles and frameworks of corporate governance

- Learn how to make ethical decisions and promote ethical leadership

- Develop skills for ensuring organizational transparency and accountability

- Understand the roles and responsibilities of corporate leaders in maintaining good governance

- Build strategies to manage corporate reputation and stakeholder trust

Course Outline:

Day 1: Introduction to Corporate Governance

- Definition and principles of corporate governance
- Key elements of effective governance
- Role and responsibilities of the board of directors
- Governance structures and frameworks
- Case study review of governance failures and successes

Day 2: Ethical Leadership in Practice

- Defining ethical leadership
- Key characteristics of ethical leaders
- The role of ethics in decision-making
- Navigating ethical dilemmas in leadership
- Building a culture of ethics and integrity

Day 3: Governance Frameworks and Legal Requirements

- Overview of corporate governance codes and regulations
- Compliance and legal obligations of directors and executives
- Understanding conflicts of interest and their management
- Risk management in corporate governance
- Case study on legal failures in governance

Day 4: Corporate Social Responsibility (CSR) and Sustainability

- Understanding CSR and its relationship to governance
- Ethical leadership in sustainability initiatives
- Balancing profitability with social responsibility
- Reporting on CSR and sustainability efforts
- Case study on successful CSR strategies

Day 5: Building and Sustaining Effective Governance

- Best practices for governance and leadership accountability
- Building transparency and trust with stakeholders
- Leadership succession planning and governance continuity
- Implementing effective governance systems
- Final group discussions and action plans
